KITCHEN LOVE

KITCHEN APPRECIATION FEE...50¢ PER GUEST

Kitchen Love was started in pre-covid times to provide an incentive to reward the hard working Back of House employees you don't get to see, for all their hard work.

To be rewarded by the customers means a lot to them.

Also, note that the fee is optional and can easily be removed from your bill.

"THANK YOU" - the dishwashers, the cleaners, and especially the cooks
